ABSTRACTS PUBLISHED:

20. **Singh S**. Immunodiagnosis of Indian Leishmaniasis. Global Meet on Parasitic Diseases, New Delhi, 1996

23. **Singh S**. Singh N, Handa R. Serum concentrations of Tumour necrosis factor-α in Indian patients with Malaria and Kala-azar: its correlation with disease prognosis. 7th International Congress for the Infectious Diseases, Hong-Kong, June 10-13, 1996 [Abs: 10146].

27. **Singh S**, Chang KP and Reed SG. Anti-Leishmanial antibodies in asymptomatic family members of Kala-azar patients of Bihar. Second Global Meet on Parasitic Diseases, Hyderabad, India, August 18-22, 1997

33. **Singh S**. Free living amoebas in intermittently chlorinated drinking water of Delhi- India. ISID Congress, Boston, USA, 1998.

37. **Singh S**, Singh N, Kumar J. Th1 and Th2 type responses in Kala-azar patients. 10th International Conference of Immunology, New Delhi, November 1-6, 1998.

40. **Singh S**. ICMR-WHO symposium on Kala-azar. Gave a talk on “problems associated with repeated injection treatment in kala-azar patients”. The symposium was held on December 18-19, 2000, at Hotel Imperial, New Delhi.

43. Shahdad S, Rattan A, **Singh S**. Species determination of Mycobacteria isolated from AIDS patients in India by 16s rRNA sequencing. Proceedings of National Conference of Laboratory Medicine January 27-29, 2000 (O-12).

46. KumariVeena, Kumar B, Mohapatra DP, Singh S. Easy and cost effective diagnosis of Toxoplasmosis on Human serum samples using a modified direct agglutination test (DAT) and its comparison with ELISA. Proceedings of First National Conference of Laboratory Medicine, January 27-29, 2000 (PP-13).

60. Tripathi BM, **Singh S**, Pal H. HCV and HIV infection among intravenous drug users attending a Drug Dependence Treatment Centre in India. IntConf AIDS 2002 Jul 7-12: 14: (abstract no. C10974)

71. Singh S. Recent advances in diagnosing Toxoplasmosis in immunocompetant and immunocompromised patients. 27th National Conference of IAMM, Mumbai, November 5-9, 2003.

81. **Singh S., Kaur M.** Emergence of multi-drug resistant Mycobacterium tuberculosis in India. 11th International Conference on Infectious Disease, Cancun, Mexico, March 4-8, 2004.

84. **Singh S.** Update on HIV in India. 10th Annual International Continuing Medical Education Program HIV Update at MediCiti Hyderabad, India. August 7-8, 2004.

88. **Singh S.** & Manjot Kaur. High rate of Multidrug Resistant M. tuberculosis in India. 9th International Conference on Emerging Infectious Diseases, Kyoto, Japan, December 7-10, 2004.

92. **Singh S.** Diagnosis of acute Toxoplasmosis by avidity test. 29th National Conference of Indian Association of Medical Microbiologists, Chennai, October 21- 23, 2005.

93. **Singh S.** Food Borne Toxoplasmosis. 17th National Congress of Parasitology. Held at Dibrugarh, Assam, October 24-26, 2005.

96. Sivakumar R, Balooni V, Sharma P, Chang KP, Singh S. Diagnosis of visceral and post-kalazar dermal leishmaniasis using a novel recombinant antigen prepared from an Indian isolate of Leishmaniadonovani. Intracellular Pathogens, During the Asian Regional Workshop on Emerging Infectious Diseases, Seattle Biomedical Research centre, USA and JNU, India, New Delhi, March 8-10, 2005.

99. Singh S. Intestinal Opportunistic Pathogens in Indian AIDS patients seen at a tertiary medical institute in North India. Indo-US workshop on Diarrhoeal diseases held at NICED, Kolkata from October 3-5, 2005.

101. Sharma U, Dey A, Singh S. “First case report of indigenous visceral leishmaniasis from Central India” in International conference on opportunistic pathogens in AIDS held at All India Institute of Medical Sciences, New Delhi, India from 27th-29th March 2006.

111. Mishra J and **Singh S.** Prevalence of Herpes simplex IgG (1 & 2) and IgM antibodies among women of reproductive age group at a Tertiary Care Hospital of Northern India. International Conference on Opportunistic Pathogens in AIDS, March 27-29, 2006., New Delhi.

114. **Singh S.** Singh N. Serum cholesterol levels as surrogate marker for HIV diseases progression: May replace repeated CD4+ cell counts in resource limited countries. XVI International AIDS Conference held at Toronto, Canada, August 13-18, 2006

115. **Singh S.** Recent advances in the diagnosis of Leishmaniasis. National Conference on “Immunology in Health & Diseases” Institute of Life Sciences, ChhatrapatiShahujiMaharaj University, Kanpur, January 11-12, 2006,

118. **Singh S.** Recent advances in the Diagnosis of Leishmaniasis. 18th National Congress of Parasitology” at Kolkata, November 22-24, 2006.

119. **Singh S.** Delivered a lecture on “Methods HIV Testing” during the First Hands-on Workshop on Training course on HIV/AIDS for Medical Officers and Laboratory technicians, National Institute of Biologicals, NOIDA, January 16, 2007.

120. **Singh S.** Delivered a lecture on “Methods HIV Testing” during the Second Hands-on Workshop on Training course on HIV/AIDS for Medical Officers and Laboratory technicians, National Institute of Biologicals, NOIDA, February 12, 2007.
121. **Singh S.** Delivered a lecture on “Methods HIV Testing” during the Third Hands-on Workshop on Training course on HIV/AIDS for Medical Officers and Laboratory technicians, National Institute of Biologicals, NOIDA, February 19, 2007.

122. **Singh S.** Provided hands-on training and Delivered a lecture on Recent Advances in the Diagnosis of Leishmaniasis during the Andhra Pradesh Chapter of IAMM, Hyderabad, February 9, 2007.

129. Mishra J, Carpenter S, **Singh S.** Low serum zinc levels in Bihar: Associated with kala-azar endemicity. 34th Indian Immunology Society conference, Pune from 16th -18th December, 2007

143. Sharma U, Velpandian T, Sharma P, Singh S. “Demonstration of In vitroantileishmanial activity of active extracts from Indian plants” in WorldLeish 4 held at Central Drug Research Institute, Lucknow, India from 3rd -7th February 2009.

146. **Singh S.** Occult hepatitis B virus infection in ART-naive HIV-infected Indian patients. Abstract # 53.0065, 14th International Conference of Infectious Diseases, Miami, Florida, USA, March 8-12, 2010.

152. MunawwarArshi, Andrea Introini, Christophe Vanpouille, Jean-Charles Grivel, **SinghS** and Leonid Margolis: The Complex Interplay Of Cytokines/Chemokines And Reactivated Herpesviruses In Semen of HIV-1-Infected Individuals. CROI-2011, Boston (USA). Feb 27-March 2, 2011

155. TomarAK, Saraswat M, Sooch BS, **Singh S.** Singh TP, Yadav S. A New Sequence of positively charged Residues BXXB Can also Characterize Heparin Bindind Site 91. International Conference on Frontiers in Reproductive Biotechnology & 21st Annual Meeting of ISSRF, NDRI, Karnal, India, February 9-11, 2011.

156. **Singh S.** Host and Parasite factors leading to Drug resistance in Leishmaniasis. Anti-parasitic and anti-cancer drugs. Porto, Portugal, 6-14 September 2011.

159. **Singh S**. Guerst Lecture on “Quality control” during the XXXV National Conference of Indian Association of Medical Microbiologists, Varanasi, November 23-26, 2011.

161. **Singh S**. Plenary Lecture on “Past, Present and future of Research in Medical Faculties” during the Annual conference of Association of Medical Biochemists of India (AMBICON2011), Government Medical College, Tiruchirapalli, Tamilnadu from December 16-18, 2011

162. **Singh S**. Guest lecture on “Point of care tests for kala-azar: during the Annual conference of Association of Medical Biochemists of India (AMBICON2011), Government Medical College, Tiruchirapalli, Tamilnadu from December 16-18, 2011
