### National Workshop on Phacoemulsification Surgery

Dear Colleague,

Dr. Rajendra Prasad Centre is organizing its National Workshop on Phacoemulsification on 25th & 26th April, 2007. This workshop aims at increasing the practical skills of ophthalmologists in the art of phacoemulsification. The scientific session will cover surgical techniques in various clinical situations of phacoemulsification surgery, aided by live surgical demonstration. Hands on Wet lab training would be the special feature of this workshop supervised by the Faculty.

All interested delegates should apply through proper channel with brief biodata along with one passport size photograph and a bank draft (drawn on SBI) of Rs. 100/- (non-refundable) in favour of Dr. Rajendra Prasad Centre for Ophthalmic Sciences by 20th March, 2007. In order to make the workshop interactive and a practical learning exercise, only 60 delegates will be accommodated. All selected delegates coming from outside Delhi and NCR will be provided free (twin sharing) accommodation and to and fro 3-tier AC train fare will be reimbursed.

We hope that all of you will benefit from this very interactive workshop.
