Dear Colleagues,

On behalf of Department of Radiation Oncology, **All India Institute of Medical Sciences, New Delhi and Indian Brachytherapy Society**, it gives us immense pleasure to invite you to the **4th Annual Conference of Indian Brachytherapy Society, 2014** scheduled to be held at All India Institute of Medical Sciences, New Delhi, India from 14-16th March 2014.

As we all know, brachytherapy is the best and ultimate form of conformal radiation therapy. The recent technological developments have given a new dimension to it. This conference will explore all the aspects of brachytherapy: clinical; biological; physics; dosimetry; image guidance; research and future prospects. We would bring together the various world-renowned pioneers in the field of brachytherapy to have enthralling scientific deliberations.

We endeavour to offer you the scientific programme through all formats: lectures, panels, debates, oral and poster presentations, and video sessions. In addition, we will also discuss and show some of the innovative brachytherapy procedures viz. brain, liver and lung brachytherapy.

The conference will be held at the All India Institute of Medical Sciences, New Delhi which is the premier institute and truly the leader in the field of teaching and research. The city of Delhi is known for its vibrant culture, glamour and heritage. You will enjoy your stay in this beautiful city.

Once again we invite you to participate in this grand brachytherapy event.
