

COMGAN

Fourth Annual Training Course in Pediatric Nephrology

Nephrology for the Pediatrician

29-30 January 2011

All India Institute of Medical Sciences, New Delhi

The Training Course, supported by International Society of Nephrology & Commission for Global Advancement for Nephrology, is chiefly directed towards enhancing the knowledge and skills of postgraduate students & practicing pediatricians. We shall attempt to include topics in *Pediatric Nephrology* that are of direct relevance to the participants.

We are privileged to have a Faculty comprising of eminent International and National Experts, who shall focus on issues related to management of common medical and surgical problems related to the kidneys and urinary tract. Considerable emphasis shall be laid on case based and practical learning. Through an optimal mix of lectures & symposia, interactive sessions and workshops, we promise to provide an academically stimulating opportunity for learning. Considerable emphasis shall be laid on case based and practical learning.

We welcome you to attend this Course.
