

First National Hands-on-Workshop on " Bioanalytical Techniques in PK Studies - From Method Development to Data Interpretation "

Improving the Skills for Conducting Pharmacokinetic Studies and Interpretation of Data

(8 - 9th February 2008)

Highlights

- ❖ Bioanalysis - Where to Start & How to Lead?
- ❖ Development & Validation of HPLC Methods
- ❖ Bio-sample Preparation & Optimization
- ❖ Pre-clinical & Clinical Pharmacokinetics
- ❖ Analysis & Interpretation of Data
- ❖ Compartmental Analysis - WinNonlin
- ❖ International Regulatory Requirements
- ❖ Isolation of Plant Extracts & Fingerprinting

Emerging Trends in PK Studies

- ❖ Microdialysis Technique
- ❖ LC-MS/MS in Bioanalysis
- ❖ High Throughput Analysis

Limited seats available
Last date: 10th Jan 2008

Scientific Advisory Panel : Prof. T D Dogra, AIIMS; Prof. K K Sharma, UCMS; Prof. S S Agrawal, DIPSAR; Prof. S K Gupta, ICRI; Prof. Y K Gupta, AIIMS; Prof. R V Azad & Prof. S Ghose, RPC, AIIMS.

Venue : Department of Ocular Pharmacology and Pharmacy, Dr. R P Centre, All India Institute of Medical Sciences, New Delhi - 29

Registration fee : Rs. 1000/- (for Students), Rs. 1500/- (for Faculty members), Rs. 2500/- (for Company sponsored)

How to Apply : Please fill the application form (enclosed) & E.mail / Fax.

Coordinator : Dr. T Velpandian, Assistant Professor, Dept of Ocular Pharmacology and Pharmacy, Dr. R P Centre for Ophthalmic Sciences, All India Institute of Medical Sciences, New Delhi - 110 029. Tel: 011-32994143, 26593162; Fax : 011-26588919; E. mail : oculpharm@gmail.com
