- IUCD-What's new?
- Advances in Male contraception
- Non-scalpel vasectomy
- MTP: Acts and Methods
- Panel: National Health programmes related to Reproductive health
- Procedure: Operation for vaginal prolapse
- Genital fistulae
- Stress urinary incontinence
- Case Discussion: Gynecology

NATIONAL CME IN
OBSTETRICS & GYNAECOLOGY

(MODULE 3, SERIES 3)

Organized by :

Department of Obstetrics & Gynaecology
All India Institute of Medical Sciences
New Delhi

Modular Continuing Medical
Education Programme

Module 3

28th - 29th August, 2010

VENUE :

JLN AUDITORIUM, AIIMS, NEW DELHI

Invitation

NATIONAL CME IN OBSTETRICS AND GYNAECOLOGY

Dear Friends,

It gives us great pleasure to invite you to the National CME in Obstetrics and Gynecology Module 3 Series 3 at AIIMS, New Delhi on 28th & 29th, August, 2010.

Building on the success of our previous CMEs, the Department of Obstetrics and Gynecology takes you a step further with the third series of module three, designed to facilitate the postgraduate teaching programme. The modules have been planned to comprehensively cover the entire post graduate syllabus over three years as is expected from candidates in MD, DGO and DNB courses. This CME is focusing on various important Obstetric and Gynecological Conditions. The topics to be covered during the CME are on the website: www.aiims.edu, www.aiims.ac.in

This CME provides a plethora of academics both basics and advanced through lectures and case presentations. We are essentially conscious to update these modules with recent advances from literature, and are inclined to problem-based learning activities. This CME is not just to facilitate postgraduates from teaching hospitals but of interest to obstetrician-gynecologists affiliated to private institutions and those in research post.

We hope that you make the most out of this extensive academic exercise through active interaction. We suggest you to reserve these dates on your monthly agenda well in advance.

We look forward to your participation in making this CME a grand success.

Thanking You

Prof. Suneeta Mittal **Dr. Neeta Singh**
Convenor Organising Secretary

SCIENTIFIC PROGRAMME

DAY 1 (Saturday, 28th August, 2010)

- 08.30-09.00 AM** Registration
