To Whom It May Concern:

CANTABBeclipse consists of 22 Neuro-Cognitive Assessment Touch-screen based tests which are proprietary. This software is developed by Cambridge Cognition and the CANTAB touch screen tests cannot be used in any other software application.

The CANTAB tests have been used in the data collection for over 700 peer reviewed papers in the last 25 years making it the tool of choice for academic research into diseases of the central nervous system.

In India, Gurjan Human Karigar Pvt. Ltd., New Delhi (Contact person: Dr. Kanak Panday) is currently our sole distributor in India. Dr. Panday has also visited our office in England and received training on CANTAB to impart training to the users in India.

Yours truly
