# Enjoy the Healing Power of Art

I am very happy to know that such an innovative initiative of having a glass window based art gallery has been undertaken at AIIMS Trauma Centre. I am sure that it will act as a catalyst for unleashing the immense creativity present in all the staff and wish the team behind this initiative the best for similar endeavors in future.

— Prof. M.C. Misra

Art Gallery commissioned by Prof. M.C. Misra, Chief, JPNATC
