NOTE-1: As against cadre strength of 22, 26 incumbents held the posts. Out of 22 posts, reservation component is OBC-5, SC-3, ST-1 as per the model roster. Points so far consumed are OBC-1, SC-1. Thus, there is a shortfall of OBC-4, SC-2 & ST-1. Depending on the exit of the incumbents, posts will be filled by replacement. However, shortfall is to be adjusted in future recruitments by adjusting the backlog vacancies.

NOTE-2: Since backlog vacancies for SC/ST is not subject to 50% limit, the present 3 vacancies will be filled up by SC/ST. The reservation component will be SC-2, ST-1 as there are no current vacancies.

Note-3: Backlog of OBC will be adjusted as and when vacancies occur subject to the 50% limit.
