Dear Gynaecologists & Endoscopic Surgeons,

The field of Gynaecological Endoscopy & Minimal Access Surgery have changed from doubts to clarity, from controversy to conquering beyond the limits with unmatched safety.

Our IAGE team finished the first year with exceptional events and presence marked by ISGE the International Society for Gynecologic Endoscopy and also by AAGL the American Association of Gynecologic Laparoscopists.

The IAGE Annual event always has been exceptional. We are privileged and happy that the IAGE 2014 event is in Delhi with a very competent Organizing Chairperson and a Endoscopist herself Dr. Alka Kriplani along with their enthusiastic team. Many new facets will come up during this August’2014 event. Don’t miss.

I welcome all Gynaecologists and Endoscopic Surgeons to take the opportunity to attend, to share skills, gain experience and knowledge.

Come & Join in our quest.
