**INVITATION
CALL FOR ABSTRACTS**

Dear Colleague,

“State of the art” Antenatal Care requires the knowledge of basics of fetal medicine. Every Resident, Obstetrician, Geneticist, Radiologist, Hematologist needs to be updated on the latest trends in preconceptional counselling, prenatal diagnosis of various hereditary disorders, aneuploidy screening and developments in the field of fetal therapy. The Division of Fetal Medicine, AIIMS is the leading centre in India involved in all aspects of research, patient care and training in this highly specialized field.

The Society of Fetal Medicine, India is a team of Obstetricians, Geneticists, Neonatologist, Paediatric surgeons and Radiologists involved in fetal care and dedicated to provide training, expertise in this field.

This Conference is a collaborative endeavour by the Fetal Medicine Division, Department of Obstetrics & Gynecology, AIIMS and the Society of Fetal Medicine, India to ensure a comprehensive review of the basics in fetal medicine for routine care of the pregnant woman.

You are all cordially invited to participate and be a part of this academic activity for a fruitful and enriching experience. You are also invited to send free papers & posters for the conference

Organizing Committee
