Report on Training Programme for Dentists under
School Health Scheme SDMC New Delhi
12th January 2018

A training programme was held for the dentists under the School Health Scheme, SDMC New Delhi on Friday, 12th January 2018 in the Committee Room, 1st Floor, CDER AIIMS New Delhi. The programme was attended by the following dentists

- Dr Benu Kulacha nee Logani
- Dr Mandeep Kaur
- Dr Kumud Singhal
- Dr Rashmi Singh

The training programme was chaired by the Chief, Centre for Dental Education and Research, AIIMS New Delhi, Professor O P Kharbanda and coordinated by Dr Vijay Mathur, Professor, Pedodontics and Preventive Dentistry and Dr Harsh Priya, Assistant Professor, Public Health Dentistry CDER, AIIMS New Delhi.

The programme began with a brief interaction on the current activities taking place under the School Health Scheme, the role of dentists, preventive methods followed and the scope of Pit and Fissure Sealant Placement. After understanding the work plan and set up under SHS, a training needs assessment set the tone for the programme.

Brief didactics on Infection control, Biomedical Waste Management and the basic tenets of isolation followed by the procedure of pit and fissure sealant placement were held.

A hands-on demonstration of the technique for Pit and Fissure Sealant Placement was done later following which the participants placed sealant on mounted extracted teeth.
