International Symposium on "Management of complex malocclusion and canted occlusal plane "

Dear Colleagues,

The Centre for Dental Education and Research, All India Institute of Medical Sciences, New Delhi is organizing a international symposium on 'Treatment of complex malocclusion and canted occlusion plane with eminent scientists and clinicians from Japan on 1st November 2016.

This symposium includes interactive lecture and case discussions, which will focus on demonstration of numerous techniques that can be employed to treat complex malocclusion and canted occlusion plane specially with the optimum use of TADS.

This symposium is not to be missed by post graduates in Orthodontics and practising orthodontist alike. Faculty members are invited and also encourage residents to attend this symposium. Looking forward to welcome you in person.

Dr. O.P. Kharbanda
