

## ISDR Awards Announcement

In pursuance of article 4 of the constitution, ISDR shall honor eligible candidates with various awards and ISDR fellowship, in recognition of their significant achievements or contribution to the ISDR. The different awards are mentioned in appendix 1 of the constitution.

Call for nominations for the awards to be presented at the 30th awards session, 1st October, 2017, New Delhi

### ISDR - Prof. J.G. Kannappan's Award

This award shall be presented to the author of the "Best Scientific Paper" published in the IADR. The winner of the award shall be selected by a panel of 3 members constituted by the Editor. The committee shall recommend the winner after the perusal of the articles published in the IADR. To be selected by the editor.

### ISDR Founder President - Prof. M. Rahmatulla's Award

This award shall be given to the ISDR members who have made outstanding contributions to the progress of the ISDR or have made distinct contributions in the field of dental research.

### ISDR - Prof. C.V. Subba Rao's Award

Dr. Subba Rao medal awardee shall be selected from the candidates who score the highest marks in the final year BDS Conservative dentistry exam from any recognized Indian dental colleges. Candidates who wish to claim this award should forward their name along with the attested copy of their mark sheet through the Head of the Institution.

### ISDR - TV Ramachandra Rao Memorial Award

TV Ramachandra Rao Memorial Award medal awardee shall be selected from the candidates who score the highest marks in the final year BDS Periodontics exam from any recognized Indian dental colleges. Candidates who wish to claim this award should forward their name along with the attested copy of their mark sheet through the Head of the Institution.

### ISDR - Prof. S.M. Balaji's Award

Prof. Dr. S. M. Balaji medal and cash awardee shall be selected from the candidates who score the highest marks in the final year BDS Oral Surgery exam from any recognized Indian dental colleges. Candidates who wish to claim this award should forward their name along with the attested copy of their mark sheet through the Head of the Institution.

### ISDR - Prof. Hari Parkash's Award

Prof. Hari Parkash medal awardee shall be selected from the candidates who score the highest marks in final year BDS Prosthodontics Exam from any recognized Indian dental colleges. Candidates who wish to claim this award should forward their name along with the attested copy of their mark sheet through the Head of the Institution.

### ISDR Fellowship Award

The ISDR fellowship is awarded to recognition members who have made outstanding contribution in the progress of ISDR or have achieved a distinction in the field of dental research. The nomination fees of the fellowship will be Rs. 5,000. The nomination can be sent either by the ISDR member or by the individual member to the Treasurer, ISDR. The nomination fees shall be refunded in case the nomination is not approved. The nomination forms can be obtained from the office of the Secretary General.

In addition to the above mentioned awards the following awards will be given during the annual conference

### ISDR Prof. S.S. Sidhu's Award

Dr. S.S. Sidhu's best student's scientific poster awardee shall be selected by a panel of three members among the dental PG students presenting Scientific Poster at the Annual ISDR conference.

### ISDR Prof. T.R. Saraswathi Medal

This medal with the certificate of appreciation is for the over-all best scientific paper presented by the students at the Annual conference of ISDR. The terms and conditions are as follows.

1. This medal is exclusively for student presenters.
2. The scientific paper should be original research or case reports and should have not been presented or published elsewhere.
3. The award winning paper shall be published in the Indian Journal of Dental Research.

## From the Desk of the Organizing Chairperson

Dear Colleagues,

On behalf of the **Organizing Committee and the Center for Dental Education and Research, All India Institute of Medical Sciences, New Delhi**, it gives me a great pleasure to invite you to the 30th Annual Conference of the Indian Society for Dental Research (ISDR India Division)

India is a force to reckon with in dental research, however not all of that sees the "light of the day". Hence the conference theme has been aptly titled **"RESEARCH TO REALITY"**. I would encourage colleagues to present meaningful research that has had clinical impact and benefited the profession at large. Our one point agenda for hosting this prestigious conference is to provide researchers an opportunity and platform to showcase, discuss, critique and share their original research with the dental professionals from the country and abroad. 30th ISDR conference would be an opportune event for the young scientists in India. **Post Graduate students, PhD scholars, interns and under graduate students from across all disciplines can attend.** A range of pre-congress courses and symposiums are being planned.

I take this opportunity to extend the invite to our trade technology partners who are welcome to exhibit their latest equipment, instruments and materials.

I am hopeful that this conference will prove to be a hallmark of excellence which will only transcend the limits of thought and research in the years to come.

Looking forward to personally welcoming you in New Delhi!!

**Dr OP Kharbanda**

Chairman organizing committee,  
President ISDR (ISDR India Division)

## Centre for Dental Education and Research (CDER), AIIMS

AIIMS was created in 1956 as an autonomous institution of national importance by an Act of Parliament, to serve as a nucleus for nurturing excellence in all aspects of the health care. It was built with the objective of bringing together in one place, educational facilities of the highest order for the training of personnel in all important branches of health activity and attaining self-sufficiency in postgraduate medical and dental education. Centre for Dental Education and Research (CDER) is a state-of-art facility that offers post graduate degree (MDS), PhD & advanced fellow ship programme. The Ministry of Health and Family Welfare, Government of India has recognized CDER as the National Centre of Excellence for Implementation of National Oral Health Programme and WHO recognized CDER as WHO-CC for Oral Health Promotion. Both these recognition endorses the academic strength and leadership role of CDER in various oral health related issues. In addition CDER is the new global alliance partner for the Cochrane global oral health group.
