Welcome Message

Dear Colleague,

After the grand success of the 1st National Conference of the Indian Society of Clinical Nutrition in 2016, we would like to welcome you all to the 2nd National Conference of INSCN in AIIMS, New Delhi to be held from 31st August to 2nd September 2018. This conference is being jointly organized by Indian Society of Clinical Nutrition & Departments of Gastroenterology & HNU and Surgical Disciplines AIIMS, New Delhi with the theme “Nutritional Management of Gastroenterology, Surgical & Critically-ill patients: Consensus and Controversies” this meeting would focus on the role of nutrition in managing critically ill and Surgical and Gastroenterology patients. Nutrition plays an important part in recovery of patients from illness. We will discuss about the various challenges encountered in meeting nutritional requirement of surgically and critically ill patients and to evolve a consensus to manage them. An independent workshop session focusing entirely on enteral and parenteral access devices, enteral and parenteral formulations and preparations will be the highlight of the meeting. We are sure the topics covered would be of interest to attending delegates and we hope to provide you a very informative, interactive and educative academic feast. We hope this conference provides the nutritionists, academicians, clinicians, investigators and students with an exciting time for keeping abreast with the expanding frontiers of this specialty.

Hoping to meet you all once again in New Delhi on 31st August 2018.
