Dear Friends and Colleagues,

We are happy to inform you that the division of Pediatric Endocrinology, Department of Pediatrics, AIIMS is organizing a one-day CME in Pediatric Endocrinology at AIIMS on 1st July, 2018 (Sunday). This is the latest edition of a series of highly successful CME's customized especially for residents, and accredited by the Delhi Medical Council, that the division has been organizing for past few years.

We will be covering a diverse range of topics that will help you in streamlining your approach to diagnosis and management of neonates and children with pediatric endocrine disorders. This year's program also includes a brief interactive session on the overview and scope of the DM Course in Pediatric Endocrinology that AIIMS, Delhi will be initiating next year.

The faculty for the CME include Prof. PSN Menon (Kuwait) and Prof. Ram K Menon (University of Michigan), the two founders of this Division at AIIMS; besides other senior academic colleagues including Prof. Sangeeta Yadav from MAMC, and Prof. Anju Seth from LHMC, Delhi.

We are sure that you will find the meeting a great learning experience.

With warm regards and best wishes,

Prof. Vandana Jain & Dr. Rajni Sharma
