

Our KargerLearn Plus Offer

KargerLearn Plus offer

KargerLearn Plus provides a solution for your authors

Many authors are experts in the lab, but lack confidence about writing and submitting papers.

They need to learn core skills and an understanding of publisher requirements to avoid rejection and achieve publication in their targeted journals.

KargerLearn Plus offer

KargerLearn Plus
provides a solution for
your authors

Universities want to help their researchers succeed

Universities want to support researchers and their faculty. Many authors lack training, which leads to lower research publication output and frustration when trying to publish.

KargerLearn Plus offer

The KargerLearn Plus offer is your solution to fill in crucial knowledge gaps!

Access to 15+ **online courses**

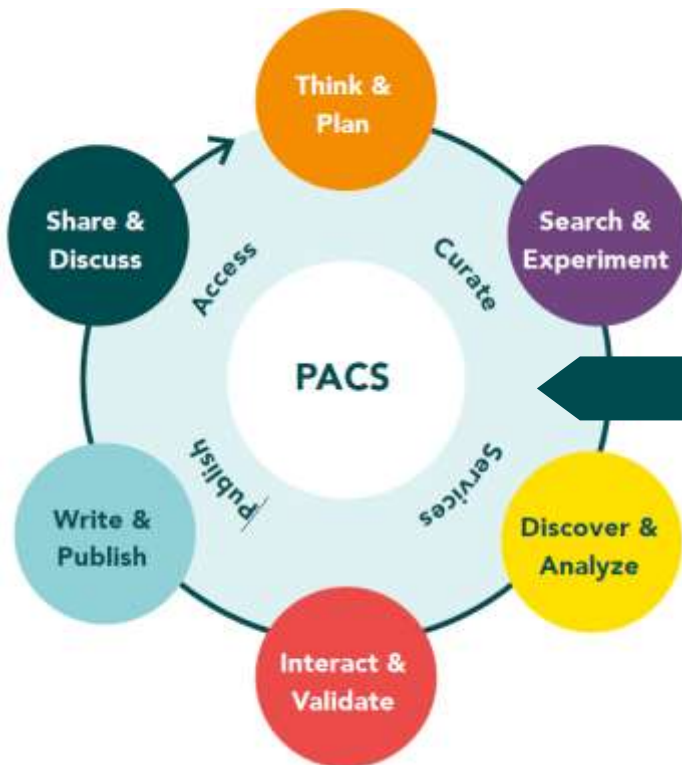

Access to the **e-book** "*How to get your Biomedical Paper Published*"

The KargerLearn Plus offer is a part of our **PACS** services

We offer this new package in line with our **PACS** approach to supporting all stages of the Cycle of Knowledge in Health Sciences. With our products in the areas “**P**ublish, **A**ccess, **C**urate, **S**ervices” we connect and advance Health Sciences.

All our services aim to help your institution to achieve success in scientific communications! KargerLearn Plus is one key to this goal.
