ALL INDIA INSTITUTE OF MEDICAL SCIENCES
ANSARI NAGAR, NEW DELHI**

F.No. 40-30/2022-Estt.I (DO)

Dated : 25th January 2023

Subject: Constitution of the committee to suggest reforms in the pattern of teaching, training and evaluation of the final year MBBS students

It has been found that the attendance of students in the lecture classes is poor. Rather, they are found more interested in coaching classes meant for the preparation for the PG entrance examination. Besides, in the last few years, the method of teaching and learning has changed significantly with a larger participation of online methods and simulation-based training.

There is a necessity to modify our current pattern of teaching, clinical training, and evaluation targeting long-term capacity building and develop a validated model for nationwide implementation. A committee is being constituted to suggest the required changes in the current format of teaching, clinical training and final year MBBS examination in a period of two months after due consultation with all stakeholders:

1. Dr. Piyush Ranjan, Professor Department of Medicine (Chairperson).
2. Dr. Rakesh Kumar, Professor, Department of Otolaryngology, Member
3. Dr. Ranveer Singh Jadon, Additional Professor, Department of Medicine, Member.
4. Dr. Mohit Joshi, Additional Professor, Department of Surgery, Member.
5. Dr. Vidushi Kulshrestha, Additional Professor, Department of Obstetrics and Gynaecology, Member.
6. Dr. Aditi Sinha, Additional Professor, Department of Pediatrics, Member.
7. Dr. Siddharth Sarkar, Additional Professor, Department of Psychiatry and NDDTC, Member Secretary
8. Dr. Kanika Sahini, Additional Professor, Department of Dermatology & Venereology, Member.
9. Dr. Vivek Shankar, Associate Professor, Department of Orthopedics, Member.
10. Dr. Manpreet Kaur, Assistant Professor, Department of Ophthalmology, Member.
11. Dr. Mohan Bairwa, Assistant Professor, Department of Community Medicine, Member.

The committee will submit its report to Dean for approval and implementation.

Registrar may facilitate the committee by providing logistic support like booking the Dean's committee room for the meetings based on availability.
