दिनांक/Dated :.....

Dear Members of the AIIMS Family,

As we step into the New Year 2026, I extend my warmest greetings and sincere appreciation to every member of the AIIMS community, including our doctors, nurses, researchers, students, staff and all members of AIIMS team. This is a moment to reflect with pride on the year gone by and to recognise the collective effort, dedication, and sense of purpose that define our institution.

The past year has been marked by resilience, commitment, and teamwork. Across departments and disciplines, you have contributed tirelessly through exemplary patient care, path-breaking research, academic excellence, effective administration, and meaningful community engagement. Your dedication has upheld the legacy of AIIMS and further strengthened its standing as a national institution of excellence and service.

I am deeply grateful to each one of you for your valuable contributions. Every role, whether visible or behind the scenes, has been vital in ensuring that AIIMS continues to remain a beacon of trust, compassion, innovation, and leadership in healthcare and medical education.

As we move forward, let us carry this spirit of collaboration into the year ahead. The coming year presents new opportunities to learn, innovate, and serve with empathy, while continuing to advance knowledge and care. I encourage you to keep striving for excellence, supporting one another, and staying guided by our shared values of integrity, inclusivity, and service to the nation.

Together, let us work towards even greater milestones and make our efforts even more meaningful in the year ahead.

I wish you and your families a healthy, fulfilling, and inspiring New Year.

With warm regards and best wishes,

(Prof. M. Srinivas)
Director
