Sub.: Temporary stoppage of routine walk in OPD patient's registration in AIIMS.

\*\*\*

In view of increased need to minimize possibility of community spread of ongoing COVID-19 epidemic and also to optimize diversion of available manpower & materials resources for the care & treatment of suspected/ confirmed patients of COVID-19 disease, it has been decided to temporarily close down routine walk-in OPD's patient's registrations including Specialty Clinics in AIIMS Hospital and all Centres with effect from Monday 23.03.2020.

OPD's/ Specialty Clinics will continue to register & provide OPD requisite services only for such patients (new & follow up) who are having prior appointments. It is also imperative to mention that request messages have been sent to all patients (new & follow up) having prior appointments to reschedule their appointments through on-line system to a later date to avoid crowding in OPD's in their own interest.
