

ALL INDIA INSTITUTE OF MEDICAL SCIENCES, NEW DELHI
OFFICE OF DIRECTOR

F. No. 40-30/2025-Estt.I

20.05.2025

Sub: Installation of eVehicle Charging facility of Shiva Road reg.

Ref. OM No. 40-30/2022-Estt.I dt. 5.10.2023, it has been emphasised that as AIIMS New Delhi is inducting a large number of electric vehicles (including parikrama seva carts, electric buses, electric staff cars, etc.) for the convenience of patients, their attendants and AIIMS staff while remaining carbon neutral, there is a requirement to install additional EV charging points to ensure optimal utilization of the electric fleet.

The undersigned has visited the Central Transport & Parikrama Seva garage and has noted that the existing charging infrastructure therein is still inadequate to ensure simultaneous and optimal charging of the deployed EVs.

Accordingly, to augment the EV charging infrastructure at AIIMS New Delhi, it is once again reiterated that 30 nos. of additional high power EV charging stations shall be commissioned under the solar hangers on Shiva Road before 31st July 2024 after following due procedure. Any subsidy / benefits for installation of EV charging stations offered by Govt. of India / Govt of NCT of Delhi be also explored to support the installation of the said charging infrastructure.

Action: SE (AIIMS); PIC (Intra-Mural Transport)

OFFICE MEMORANDUM

Sub: Installation of EV charging stations under Solar Hangers on Shiva Road

AIIMS New Delhi has in the past one year inducted over 30 electric vehicles (EVs) for the convenience of patients, their attendants and AIIMS staff while remaining carbon neutral. Also, efforts are on to induct additional EVs for patient & staff transit within the campus in the coming days.

To ensure optimal utilization of the EVs, it is essential to install adequate number of charging stations for the EVs in AIIMS New Delhi. The undersigned has visited the Central Transport and has noted that the existing charging infrastructure therein is inadequate to ensure simultaneous and optimal charging of even the existing EVs.

Accordingly, to augment the EV charging infrastructure at AIIMS New Delhi, it has been decided to install 30 nos. of additional EV charging stations under the solar hangers on Shiva Road before 30th November 2023 after following due procedure. Any subsidy / benefits for installation of EV charging stations offered by Govt. of India / Govt of NCT of Delhi be also explored before installation of the said charging infrastructure.

Action: Superintending Engineer (AIIMS)
