Ansari Nagar, New Delhi-110029

F. No.40-30/2022-Estt.-I(DO)

Dated: 09th March, 2023

OFFICE MEMORANDUM

Subject: Nomination of Faculty members for SET Facility workshop “Planning and Conducting Medical Education – Based Research” on 28th March, 2023.

SET Facility is a hub of Skill and Simulation based learning and digital content creation to facilitate online and blended learning. We are organizing a faculty workshop for “**Planning and Conducting Medical Education – Based Research**” on **28th March, 2023**.

Medical education has now undergone an immense change in terms of delivery of content, access to knowledge by students as well as assessment methods. Medical education – based research is thus a necessity and a guide for teachers for formulating future educational curricula. AIIMS, Delhi should be taking a lead in this.

This workshop will allow faculty to become familiar with educational research methodology in order to A) Apply evidence – based education more effectively to their practice and B) Initiate or collaborate in medical education research.

The Chiefs’ of all Centres & Heads’ of all Departments are requested to kindly nominate 02 faculty members in the following format from your department to attend the workshop by sending a confirmatory mail along with the participants’ details to aiims.setfacility@aiims.edu or dramnujroy@aiims.edu **latest by 20th March, 2023**.

S.No.	Name	Designation	Email	Phone number
