15-12-2025

Subject: Cleaning of Overhead Water Storage Tanks - Eastern, Western & Masjid Moth Residential Campus

This is to inform all residents that cleaning of overhead water storage tanks located on the terraces of all flats, along with kitchen loft tanks, in the **Eastern, Western, and Masjid Moth campuses** will commence from **16-12-2025**.

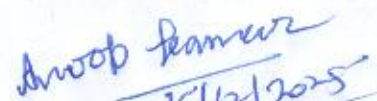

The detailed schedule for tank cleaning will be shared with residents and displayed at the Service Centers of all three residential campuses. The cleaning process for each tank will be properly documented and video recorded.

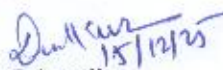

Residents are requested to cooperate and make necessary arrangements by storing sufficient water in advance.

Any inconvenience caused during the cleaning process is sincerely regretted.
