Ansari Nagar, New Delhi

F.No. 69/HICC/2021/Estt. (H)

Dated: 24.12.2021

Circular

Sub: Functioning of Departmental Infection Control Committees (DICC) & role of Nodal Officers in preventing COVID 19 transmission

In view of recent surge in COVID 19 cases including Omicron Variant all the Nodal Officers, COVID 19 of various departments are advised to augment the efforts of their respective Departmental Infection Control Committee (DICC) to prevent the transmission of COVID 19. It is advised to carry out the contact tracing in their respective departments in case of the staff member(s) turning positive. It is also advised to carry out activities to educate the various cadres of hospital staff with regards to wearing the face mask, performing hand hygiene frequently, always maintaining social distancing especially during tea and lunch breaks and completion of COVID 19 vaccination schedule.

For necessary compliance, please.

Chairperson
HICCOM
