MEMORANDUM

Subject:- Draft seniority list of the faculty members at the AIIMS, New Delhi. 02 AUG 2022

In compliance of direction of the Hon'ble High Court of Delhi in WP (C) No. 12056/2019, draft seniority lists of the posts of Professor, Additional Professor, Associate Professor and Assistant Professor has been prepared in accordance with the provision of Regulation 26, as well as, in accordance with applicable guidelines in this regard.

In the above context, it is relevant to submit that the provision of Regulation 26 of AIIMS Regulations, 2019 provides as under:-

'The seniority of employees of the institute in each category shall be determined by the order of merit in which they were selected for appointment to the post in question, those selected on an earlier occasion being ranked seniority to those selected later.'.

Apart from above provisions of Regulation 26, the Governing Body/Institute Body of the Institute had approved/vetted the following regarding fixation of seniority of faculty members, at AIIMS, New Delhi.

- The preparation of a seniority list of persons selected in the same selection committee would involve the following steps:-

STEP - I

Draw up list of persons on the basis of their date of joining, those joining on an earlier date being placed above those joining on a later date.

STEP - II

In the list prepared as above, those who join on the same date may be arranged in order of age - those born earlier being placed above those born later.

2/8/16

STEP - III

For those joining on the same date and adjusted as in Step II above according to their age, further rearrangement may be carried out so that the original inter-se-seniority of the Institute employees in the lower post/grade maintained. This operation may be done by pulling down the junior in the previous combined seniority list immediately below his senior in that list now appearing in this list even though he may be elder in age.

STEP - IV

The above list may now be further modified to carry corrections of violation of departmental merit/seniority laid down by the Selection Committee

This will be done by pulling the junior down immediately below his senior in merit.

Accordingly, tentative draft seniority lists for the post of Professor, Additional Professor, Associate Professor and Assistant Professor have been prepared and enclosed along with.

All Chiefs/Head of the Departments are requested that provisional seniority lists may be brought to the notice of all concerned faculty members. Faculty members are requested to submit their suggestions/objections, if any, through proper channel to the Faculty Cell in 30 days from the date of issue of this memorandum.

This issues with the approval of the Director, AIIMS, New Delhi.
