Subject: Request for Amendments/Clarifications in GeM Bid No. GEM/2026/B/7973142 dated 29th August 2026 – Procurement of 35 Units of Temporary External Single Chamber Pacemakers

Respected Sir,

With reference to the above-mentioned **GeM Bid** for the procurement of **35 units of Temporary External Single Chamber Pacemakers**, and further to the discussions held during the **pre-bid meeting conducted today**, we respectfully submit the following requests for your kind consideration and necessary action:

1. Request for Exemption from the Make in India Clause

We kindly request your good office to consider granting an **exemption from the Make in India clause** specified in the GeM Bid.

The applicability of the said clause, in its present form, is restricting our participation in the bid. Granting the requested exemption would enable us to participate in **GeM Bid No. GEM/2026/B/7973142** and submit our bid accordingly.

We therefore request you to kindly consider the same in the interest of **wider participation and healthy competition**.

2. Request for Amendment to Pacing Mode Specification

With reference to **Point No. 1 of the Technical Specifications**, we request that the specified **AAO mode** may kindly be amended/replaced with **AOO mode**.

The proposed amendment would enable us to participate in the GeM Bid while meeting the intended functional requirements of the department.

3. Request for Revision of Sensitivity Range

With reference to **Point No. 3 of the Technical Specifications**, we request that the specified sensitivity range of **0.1–20.0 mV** may kindly be amended to **0.5–20.0 mV**.

The proposed amendment would enable us to participate in the GeM Bid and submit our bid for consideration.
