10-09-2026

Ref.: Tender No. T. No. 48/CNC/CTVS/2026-27/St. for Temporary External Dual Chamber Pacemaker

Sub: Pre-Bid Meeting held on 03-09-2026 and letter for amendments

Dear Sir,

We request your attention and make amendments of the following specifications which give more clarity and help in offering suitable model.

3. Specification All pacing modes should be available including –

DDD/DOO/DDI/AAI/AOO/VVI/VOO/DVI.

Request amendments: DDI or Compatible mode (DDD with MTR – Maximum tracking rate), Add VDD advanced mode available in Pacemakers

4. Refractory period – Atrial 200-500 msec, PVARP

Request amendments: Atrial Refractory Period 250 ms to 400 ms $\pm$ 5 %, Ventricular Refractory Period 250 ms to 500 ms $\pm$ 5 %, PVARP - 100 ms to 500 ms $\pm$ 5 % Automatic and manually adjustable

15. AV interval-manual range 200-300, sensed A-V 100-200.

Request amendments: AV interval-manual range 200-300, sensed A-V 100-200. AV Delay should be available on manual and auto mode

And request to add following new for the skill Lab:

Pacemaker should display following

- a) Real time error message in case of lead disconnection
- b) Should have statistics of paced & sensed events in a given time to monitor pacing therapy and research

The Pacemaker should be compatible with the Pacing Simulator for external pacemaker for education and skill development.

Thanking You
For Triveni Health Cure

**Subject: Request for Exemption from Make in India Clause and Clarification
Regarding Cables – GeM Bid No. GEM/2026/B/7973280**

Respected Sir,

With reference to **GeM Bid No. GEM/2026/B/7973280** dated 29th August 2026 for the procurement of **35 units of Temporary External Dual Chamber Pacemakers**, we would like to submit the following requests for your kind consideration.

As discussed and requested during the **pre-bid meeting held today**, we kindly request your good office to consider **exemption from the Make in India clause** specified in the tender.

The said clause is currently restricting our participation in the above-mentioned tender, despite our being capable of supplying the required product and meeting the prescribed technical and quality requirements. Granting an exemption from this clause would enable us to participate in the tender and submit our quotation for the required **Temporary External Dual Chamber Pacemakers**.

We, therefore, sincerely request you to kindly consider our request and provide the necessary exemption, thereby enabling us to participate in **GeM Bid No. GEM/2026/B/7973280**.

Further, we kindly request you to **clarify the exact number of cables required** under the bid, particularly with reference to **Point No. 21 of the Technical Specifications**, so that we may submit our offer in accordance with the exact requirement of the department.

We shall be grateful for your kind consideration and an early clarification regarding the above points enabling us to participate the above mentioned tender.

Thanking you.

Yours faithfully,

For Spectrum Medical Devices

Subject: Request for Amendments/Clarifications in GeM Bid No. GEM/2026/B/7973280 dated 29th August 2026 – Procurement of 35 Units of Temporary External Dual Chamber Pacemakers

Respected Sir,

With reference to the above-mentioned **GeM Bid** for the procurement of **35 units of Temporary External Dual Chamber Pacemakers**, and further to the discussions held during the **pre-bid meeting conducted today**, we respectfully submit the following requests for your kind consideration and necessary action:

1. Request for Exemption from the Make in India Clause

We kindly request your good office to consider granting an **exemption from the Make in India clause** specified in the GeM Bid.

The applicability of the said clause, in its present form, is restricting our participation in the bid. Granting the requested exemption would enable us to participate in **GeM Bid No. GEM/2026/B/7973280** and submit our bid accordingly.

We therefore request you to kindly consider the same in the interest of **wider participation and healthy competition**.

2. Request for Amendment to Pacing Mode Specification

With reference to **Point No. 1 of the Technical Specifications**, we request that the specified **AAO mode** may kindly be amended/replaced with **AOO mode**.

The proposed amendment would enable us to participate in the GeM Bid while meeting the intended functional requirements of the department.

3. Request for Revision of Sensitivity Range

With reference to **Point No. 3 of the Technical Specifications**, we request that the specified sensitivity range of **0.1–20.0 mV** may kindly be amended to **0.5–20.0 mV**.

The proposed amendment would enable us to participate in the GeM Bid and submit our bid for consideration.

4. Clarification Regarding Number of Cables Required

may

[Handwritten signature]

We kindly request clarification regarding the **exact number and type of cables required** to be supplied along with the equipment, as specified in the Technical Specifications. *Medical Devices*
B-153, Basement, DDA Sheds, Okhla Industrial Area, Phase-I,
New Delhi-110020 (INDIA)

This clarification will enable us to ensure that our bid is submitted strictly in accordance with the department's requirements. Mobile: 6280069630 e-mail: nspiremedicaldevices@gmail.com

5. Request to Include CE Marking Alongside FDA Certification/Approval

We kindly request that **CE Marking/CE certification** may also be accepted alongside **FDA certification/approval**, wherever applicable, under the Technical Specifications.

This amendment would facilitate wider participation while ensuring compliance with recognised international quality and safety standards.

In view of the above, we respectfully request your good office to kindly consider the proposed **amendments and clarification** and issue the necessary clarification/amendment in the GeM Bid at the earliest, keeping in view the **bid submission timeline**.

We shall be grateful for your favourable consideration of the above requests, which will enable us to participate in the bid and submit our offer in accordance with the prescribed requirements.

Thanking you.

Yours faithfully,

For Nspire Medical Devices
