**ALL INDIA INSTITUTE OF MEDICAL SCIENCES**  
**ANSARI NAGAR, NEW DELHI-29**  
**STORE SECTION(CNC)**

**Dated: 17.11.2025**

**TENDER CORRIGENDUM**

The Tender No. 95/CNC/NS/2025-26/st. with Tender ID: 2025\_AIMSD\_880534\_1 was published in CPP Portal (e-Procurement) on 08.10.2025 for the purchase of "Microsurgical Instruments for Microvascular Surgery for Neurosurgery (General Instruments)" for the department of Neurosurgery, CNC, AIIMS. The pre-bid meeting was held on 15/10/2025 wherein various bidders (M/s. Overseas Associates, M/s. Cure Surgicals, M/s. OJS Medtek Asanus and M/s. Indomed Global) have attended the meeting and discussed their issues before the TSEC. Upon the request of potential vendors & recommendation of user department the following amendment has been carried in the specification of said tender as under:-

**REVISED TECHNICAL SPECIFICATIONS:**

**Item Name: Microsurgical Instruments for Microvascular Surgery for Neurosurgery (General Instruments)**

**Technical Specification**

1. Company should have USFDA certificate / CE certificates with 4 digit notifying body, identification number of international standards / BIS certification.
2. Company name and catalogue / article number engraved on each instrument.
3. Each instrument should have data matrix/bar code which should be scannable and verifiable to establish origin and make of the instrument.
4. Instruments should be corrosion free and manufactured from high surgical grade stainless steel (Stainless steel alloy of 400-450 grade).
5. Physical demonstrations of all instruments shall be mandatory by the bidders called for technical evaluation after fulfilling the pre-qualification criteria.
6. The bidder must enclose original literature and technical data sheet in support of the technical bid.
7. Material certificate from the original manufacturer should be attached along with technical bid.
8. The bidders should quote as per the specification attached with not more than  $\pm 5\%$  variation in the sizes of the instruments.
9. Warranty of 2 years for sharp and 3 years for non-sharp instruments should be provided
10. Physical demonstration of all the instruments is mandatory. The parameters for evaluation will be sharpness, joint function, reflection, tissue holding property, visible manufacturer's mark, passivation quality, esthetic feel during use, gap between holding jaws etc. as applicable to a particular instruments.
11. To ensure uniform quality and compatibility of equipment, at least 85% of the total items specified in the tender must be supplied by a single manufacturer. Any remaining items not produced by the primary manufacturer must be clearly identified in the compliance sheet and demonstrated during the evaluation process. The purchaser reserves the right to reject any items found to be of inferior quality during evaluation or use. Preference will be given to bidders who offer 100% of the equipment from a single manufacturer, subject to meeting all technical and quality specifications.
12. \*Catalogue number and company where mentioned is only for ease of visual identification by the bidders. It should not be understood as being specific to a manufacturer.
