PROPRIETARY/SPECIFIC BRAND GOODS CERTIFICATE

1. Item/Type/Model No. Required along with specification.	Reagents, calibrators and Controls required for hematology analyzer (Beckman Coulter DxH500).
2. Is the Item a spare part attachment or accessory for an existing equipment.	Reagents to run and maintain the QC of the said analyzer.
3. Name of manufactures supplier of the item proposed by the indenter.	Beckman Coulter India Pvt Ltd. (Authorised franchisee, M/s BSP Diagnostics Systems P Ltd).
4. Are the sole manufactures/sole distributors of the item?	OEM (Certificate provided by the firm).
5. Is there any other item with similar/equivalent specification available in the market to meet the job requirement envisaged? If the answer is yes, why the same can not be procured. Demanding Officer should bring out comparative functional advantage/cost effectiveness of the recommended item from these offered by other.	This equipment is a closed system. The reagents requested are elemental to run the analyzer.
6. What were the efforts made to locate alternative source of supply or use other substitutes.	Undertaking taken from the OEM in this regard, also gathered information through internet.
7. Why open/limited tender cannot be resorted to, for locating alternative source.	The firm is sole proprietor.
8. Are the proprietary item certifying that the rates are reasonable or not.	To justify the reasonability of quoted rates the company has provided the supply order copy of Bhagwan Mahavir Hospital, Delhi. The rates quoted at NDDTC, AIIMS are similar/lower.
9. Any other justification for procuring item from single source.	This equipment is a close system. The reagent manufactured by original equipment manufacturer are only compatible with the system. The use of other brands will lead to deviation and effect the accuracy of the results.

I certify that the item at Sr.No. 1 above is required to be procured on single tender basis as the source of supply is definitely known the specified brand proposed was advantages in meeting our functional requirement and tender system could not be dispensed with as they would serve no useful purpose in the particular case.
