PROPRIETARY/SPECIFIC BRAND GOODS CERTIFICATE

- 1. Item/Type/Model No. required alongwith specification.
- 2. Is the item a spare parts attachment or accessory for an existing equipment.
- 3. Name of the manufacturers/supplier of the item proposed by the Indentor.
- 4. Are they sole manufacturers/sole distributors of the item.
- 5. Is there any other item with similar/ equivalent specification available in the market to meet the job requirement envisaged. If the answer is yes, why the same can't be procured. Demanding officer should bring out comparative functional advantages/cost effectiveness of the recommended item from these offered by other.

Petrascan digital microscopy 76 x 26 cm size scanner (PS 1001)

New item

Manufacturer: Ewouex Microscopy India
Indian vendor: Jintech Systems.

Yes

NO

- 6. What were the efforts made to locate alternative source of supply or use other substitutes.

YES

- 7. Why open/limited tender can't be resorted to, for locating alternative source.

These closed systems are made by a few companies. This is as of the market digital digital (2x) scanner for other country.

- 8. Are the proprietary items certifying that the rates are reasonable or not.

Yes

- 9. Any other justification for procuring item from single source.

needed to work on my AIIMS-JIT project (AIJ) and to capture the binary digits in least possible objects pieces to learn the algorithm.

Signature of Indentor (Demanding Officer)

COUNTERSIGNED (Head of the Department)

I certify that the item at Sr. No: 1 above is required to be procured on single tender basis as the source of supply is definitely known/the specified brand proposed was advantageous in meeting our functional requirements and limited tender system could be dispensed with as they would serve no useful purpose in this particular case.
