PROPRIETARY CERTIFICATE

TO WHOM IT MAY CONCERN

This is to certify that the research reagents listed in the CDI Laboratories, Inc. Quote Number VS4182016-1, as the full human proteome microarray (HuProt v3.0), having features to conduct serum profiling assays on more than 19,000 purified proteins, are a proprietary item manufactured by CDI Laboratories, Inc., based in Mayaguez, Puerto Rico, USA. To the best of our knowledge, the full human proteome microarray is not manufactured by any other company under any other name. The profiling services will be performed by CDI Laboratories and analysis of the data done using proprietary software that is only available at CDI Laboratories.
