Respected Sir

Greetings from China CHEM International, one of the leading Pioneers in Name Patient Program catering more than 100's of patients in South East Asian Market including India and only company approved by the Hong Kong Health Authority for supplies of medicines in the field of Oncology, Hematology, BMT and other specialties as well.,

We would like to bring to your kind information that Inj Besponsa ( Inj Inotuzumab 1 mg) has been recently introduced by US FDA and European FDA and as of now have not made any commercial transaction considering the recent launch of the product after clearing the clinical trials across the globe where we had been part of the same for the patient recruitment.

Please feel free to contact for any further clarifications required.,

Assuring our best service always.,

Regards
