Pneumatic ENDOSCOPE Holding System

Units required: 1

Cost: 38 lakhs

Proprietary item

(as per the suggestions by the external committee experts as per the meeting held on 14/09/2015)

Grammatical corrections ONLY made by Internal faculty, copy of the original specifications signed by external experts enclosed)

1. Holding arm system should be mounted directly to the operating table and should have features that are safe, simple and reliable to use. The holder should be compatible with the existing endoscopic systems (Karl Storz)
2. The patented self-locking pneumatic system should ensure perfect safety, eliminating the need for additional error prone electronics.
3. Pressing and holding the control button on the handle should release the arm for quick and accurate positioning.
4. **Arm Length** : not less than 65 cm
5. **Holding capacity**: not less than 2 Kg
6. A press of a control button should release the arm immediately for quick positioning.
7. Side guards should be present to prevent accidental activation of the arm.
8. A manual ball joint at the tip of the handle enables convenient fine-tuning
9. Holding arm should be very robust and should have high torsional stiffness to ensure low oscillation and high reliability.
10. Clamping Jaw, metal, clamping range should be 15 up to 25 mm, with quick release coupling LOCK for use with all square-heads.
11. Clamping Jaw, metal, with axial intake, clamping range should be from 4.0 up to 15 mm, with quick release coupling
12. Should be capable to hold instruments and telescope sheaths.
13. Should be CE-EUROPE /USFDA APPROVED
14. **OTHERS**
 1. The cost of all spares should be quoted upfront and should be valid for 10 years
 2. Warranty: 5 years onsite comprehensive including spares + 5 years CMC

3. In no case the instrument should remain in non-working condition for more than 7 days, beyond which a penalty as per the rules of the institute will be levied
4. The vendor should have a good service and application back up along with instruments to provide an effective trouble shooting and support. (response time < 24 hours)
5. All technical bids comparative statement to the tender specifications must be enclosed along with reference no., paragraph no. from original catalogue of the equipment.
6. **If the company quotes false information regarding technical specifications, the committee will then have the right to reject this company and also black list the company.**
7. **The committee hereby states that the specifications provided are general and broad based**
