This is bring to your kind notice that, as per the latest status available on the NSP, the number of applications received under the 3 Scholarship Schemes of this Ministry namely Pre-Matric, Post-Matric and MCM, is much below the expected level and the desired momentum is yet to pick up.

In view of the above, it is reiterated that all the three scholarship schemes may kindly be given wide publicity through advertisements and other means like installation of hoardings at the District Collectorate and other prominent areas of the district. Further, SNOs and DNOs may be directed to contact the institutes/school and facilitate filing of applications by students in whatever way possible. The SNOs/DNOs may also directed to complete the verification of Institutes/Schools which are yet to apply for KYC so that maximum numbers of deserving children are covered under the Scholarship Schemes. It would also be desirable if the States/UTs devise a mechanism to monitor the implementation of these schemes at Principal Secretary / Secretary level on a regular basis and keep MoMA informed, so that in case there are issues the same could be addressed expeditiously.
